

Prochem Training

Find out more about Prochem Training.... EXPERT TRAINING TO SUIT YOUR NEEDS

With over 35 years of experience in running professionally recognised courses, our training programme covers all of today's key floor and fabric cleaning disciplines and more, giving you the skills you need to maximise your performance and drive your business forward.

Clear and practical, each course uses face-to-face instruction and step-by-step demonstrations by dedicated Prochem trainers so you gain the knowledge and confidence to clean to the highest professional standards. With each course, you will receive a comprehensive reference manual to help you put all that you have learnt into practice.

All courses include a comprehensive reference manual.

2-Day Carpet Cleaning

Aimed at cleaning newcomers as well as those wishing to improve their skills or set up their own cleaning business, this superb in-depth course incorporates all the theoretical and practical elements of our 1-day course and more, together with guidance on surveying, pricing and selling.
