

Hydromist 55

Spray extractors that are ideal for large area carpet cleaning in conference centres, hotels and offices.

Choose the model that best suits your needs and budget:

The Hydromist 55/400 is the professional's choice for those tough, large area carpet cleaning jobs. The combination of an in-line heater and variable spray injection of up to 400 psi gives fast and efficient removal of embedded dirt and stains, leaving carpets fresh and clean.

The Hydromist 55/100 is the economical way to clean large carpeted areas that are subjected to normal, day-to-day foot traffic, spills and stains.

Both Hydromist 55 models feature:

- Powerful twin 2-stage vacuum motors that provide excellent solution recovery and minimise drying time
- The recovery and solution tanks are both accessed at the top of the units and feature large openings for ease of fill and rinsing.
- Heavy duty stainless steel wand for added durability
- Optional tool for cleaning upholstery and curtains
- 50 litre solution tank to maximise cleaning capacity
- 3810 mm water lift
- 6 m hose allows easy cleaning of large areas without moving the machine
- Integrated loading wheels for easy transportation

Wand details

- Choice of single or twin-spray nozzle cleaning wands
- Upholstery tools
