

1. Identification of the substance/preparation and of the company/undertaking

1.1 Identification of the substance or preparation

Name : **Febreze Fabric Refresher - Classic**

1.2 Use of the substance/preparation

Main use category : Consumer use
Type of product (BIG) : Preparation

1.3 Company identification

Company Name : Procter & Gamble UK
Address : Brooklands, Weybridge, Surrey, KT13 0XP, UK
Telephone No : 01932 896000
Fax No : 01932 896200
Emergency No: : 0800 328 8304 (UK) 1800 509 497 (IRL)
Email address : sds.im@pg.com

2. Hazards identification

The information in this section is applicable on all mentioned identified uses of this SDS.

Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

Symbol : -
R-phrases : Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC
Fire hazard : No fire hazard
Non combustible

3. Composition/Information on ingredients

There are no classified ingredients in accordance with 67/548/EEC or 1999/45/EEC.

4. First-aid measures

The information in this section is applicable on all mentioned identified uses of this SDS.

4.1 Effects and symptoms

Symptoms/injuries after eye contact	: Slight irritation
Symptoms/injuries after skin contact	: Contact during a long period may cause light irritation
Symptoms/injuries after inhalation	: May cause respiratory irritation
Symptoms/injuries after ingestion	: Gastrointestinal complaints

4.2 First Aid Measures

First-aid measures after inhalation	: Go into open air and ventilate suspected area - Respiratory problems: consult a doctor/medical service
First-aid measures after skin contact	: Rinse immediately with plenty of water - Take victim to a doctor if irritation persists
First-aid measures after eye contact	: Rinse immediately with plenty of water - Take victim to a doctor if irritation persists
First-aid measures after ingestion	: Give nothing or little to drink - Do not induce vomiting - Immediately consult a doctor/medical service

5. Fire-fighting measures

The information in this section is applicable on all mentioned identified uses of this SDS.

Extinguishing agents - fire fighting instructions	: dry chemical powder, alcohol-resistant foam, carbon dioxide (CO ₂) No specific firefighting instructions required
Fire hazard	: No fire hazard Non combustible
Reactivity hazard	: Not applicable

6. Accidental release measures

The information in this section is applicable on all mentioned identified uses of this SDS.

General measures	: Consumer products ending up down the drain after use. - Prevent spreading in sewers - Prevent soil and water pollution
Disposal	: Consumer products ending up down the drain after use. - Disposal must be done according to official regulations. - Liquid spill: take up in non-

MSDS: according to the REACH regulation
1907/2006 Annex II

Date of issue SDS: 26/04/2010
Valid until superseded

combustible absorbent material - Shovel into suitable and closed container for disposal - Large spills: contain released substance, pump into suitable containers

7. Handling and storage

Handling and storage information is applicable on all mentioned identified uses of this SDS.

Storage area : Store in a cool area. Store in a dry area

8. Exposure controls / Personal protection

Personal protection (Material-Handling) :
Not required for normal conditions of use

9. Physical and chemical properties

9.1 General information

Appearance : Liquid
Odour : pleasant (perfume)
Colour : Colourless

9.2 Important health, safety & environmental info

Flashpoint : > 70 °C
Absolute density : 1 g/cm³
pH : 4
pH solution : 100 %

9.3 Other information

Solubility in water : High

All properties are determined in accordance with the specifications laid down in the Commission Regulation on testing methods referred to in Article 13(3) or any other comparable method.

MSDS: according to the REACH regulation
1907/2006 Annex II

PA: PA00091081_NC
Date of issue SDS: 26/04/2010
Valid until superseded

10. Stability and reactivity

The information in this section is applicable on all mentioned identified uses of this SDS.

Instability : Stable under normal conditions
Conditions to avoid : Not applicable
Reactivity hazard : Not applicable
Materials to avoid : Not applicable

11. Toxicological information

The information in this section is applicable on all mentioned identified uses of this SDS.

11.1 Toxicity

Eye irritation : Slightly irritating
Skin irritation : Slightly irritating
Skin sensitization : No sensitising effects expected.
Toxicity hazard : No toxicity hazard
LD50 oral rat : > 5000 mg/kg

11.2 Effects and symptoms

Symptoms/injuries after skin contact : Contact during a long period may cause light irritation
Symptoms/injuries after inhalation : May cause respiratory irritation
Symptoms/injuries after ingestion : Gastrointestinal complaints
Symptoms/injuries after eye contact : Slight irritation

12. Ecological information

The information in this section is applicable on all mentioned identified uses of this SDS.

CESIO Recommended phrases : The surfactant(s) contained in this preparation complies(comply) with the biodegradability criteria as laid down in Regulation (EC) No.648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the Member States and will be made available to them, at their direct request or at the request of a detergent manufacturer.

Other information (adverse effects) : Not harmful to aquatic organisms

MSDS: according to the REACH regulation
1907/2006 Annex II

Reference: 1-020-10
PA: PA00091081_NC
Date of issue SDS: 26/04/2010
Valid until superseded

13. Disposal considerations

Disposal : Consumer products ending up down the drain after use. - Disposal must be done according to official regulations. - Liquid spill: take up in non-combustible absorbent material - Shovel into suitable and closed container for disposal - Large spills: contain released substance, pump into suitable containers

EURAL : 20 01 29*

14. Transport information

ADR transport regulations : Not subject

RID transport regulations : Not subject

IMDG transport regulations : Not subject

ICAO transport regulations : Not subject

15. Regulatory information

Components indicating danger classification :

Symbol : -

R-phrases : Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

16. Other information

Training advice : Normal use of this product shall imply use in accordance with the instructions on the packaging

MSDS: according to the REACH regulation
1907/2006 Annex II

Reference: 1-020-10
PA: PA00091081_NC
Date of issue SDS: 26/04/2010
Valid until superseded

MSDS: according to EC directive 2001/58/EC and the REACH regulation 1907/2006 Annex II
